

Chinese Kite Template for Kids

Print on A4 paper, cut out, decorate, and fly!

How to use this template:

1. Print this page at 100% scale (no scaling).
2. Cut out the diamond kite shape and tail strips.
3. Tape or glue two thin sticks (bamboo skewers or wooden dowels) along the spine and cross spar lines.
4. Punch the two bridle holes and tie a 60 cm string between them.
5. Decorate the kite with bats, butterflies, fish, or your own designs.
6. Tape tail strips to the bottom and attach your flying line to the bridle.
7. Fly in an open area away from trees and power lines.
